COSMIC BINGO HOUSE RULES:

1. No one under the age of 21 is permitted in the bingo hall
2. It is the player's SOLE responsibility to gain the caller's attention for he or she to stop the game prior to the letter of the next ball being called. Get your friends or table to join in, waving your arms in the air; jump up and down like you won bingo!! If the winning player did not claim bingo it is invalid.
3. The one exception to rule #2 is if a bingo attendant is tending to a player's cards for a period of no longer than 1 game. In the event, an attendant claims bingo in the guest's absence a separate attendant must verify the winning card.
4. Once the caller starts to call the letter of the next number, no previous bingos will be honored and the game will continue.
5. A bingo is only considered valid on the last number called; the ball on the monitor is not valid until called.
6. Once the caller has officially closed the game no more bingos will be honored.
7. Electronic devices, Flashboards, and TV monitors are for the guest's convenience only and any malfunctions voids pays and plays.
8. A dauber must be used to mark paper bingo cards. Only a dauber or highlighter may be used to outline patterns. Pens may not be used to mark any cards.
9. There are no cash refunds; in the event of a session cancellation, guest's admission receipt is redeemable within two (2) week.
10. Guest not playing bingo may be requested to give up their chair if we are limited on seating.
11. Casino Del Sol Resort is not responsible for any lost or stolen items.
12. No splitting or sharing of packs is permitted
13. In the event there are multiple winners in a game, the published payout will be divided accordingly amongst the winners.
14. Players must present a signed or player's card coded admission receipt when requested by bingo team members. If a player is unable to sign, then someone must sign on behalf of the guest.
15. All paper must be purchased from the cashiers and used the day of purchase. No paper may be used or reused once the game has been officially closed.
16. Winnings of \$1,200 or more are subject to IRS regulations. Guests must provide two (2) forms of legal identification when claiming a payout; Non-U.S. Citizens are also subject to U.S. Tax Regulations.
17. Management reserves the right to refuse service to any person; to change modify or cancel any promotions, rules and/or games at any time with prior notification to the Tribal Gaming Office.
18. In the event a dispute is not covered by these rules, management will make all final decisions.
