

OCTOBER 2021 NEWSLETTER

COURSE OVERSEEDING

The course will reopen following Overseeding on Monday, October 11th. When the club opens back up, the course will be **CART PATH ONLY** until around October 22nd. Call the golf shop to check any restrictions. We look forward to seeing everyone again soon!

CLUB REGRIPPING

Playing with a worn grip can hurt your golf game. With a worn grip it is easy to grip tighter for fear of the club slipping out. Gripping tight will cause tension in your hands which will affect the rhythm of your swing and distance. If your grips are worn out in a particular spot or are slick, they should be replaced. The golf shop has grips available from Golf Pride, Sweet Rollz, and Superstroke. Start the golf season out with a fresh set of grips. Contact the Sewailo golf shop at 520.838.6645 to regrip your irons, woods, or putter!

MERCHANDISE PRODUCT OF THE MONTH - CALLAWAY JAWS FULL TOE WEDGE

The new Callaway JAWS Full Toe wedge gives you spin and control on full shots, chips, pitches, flops, and bunker shots. The wedge provides fantastic spin with full face JAWS grooves, offset groove-in-groove technology, and an all new raw face. JAWS Full Toe wedges come with a Dynamic Gold Spinner steel shaft, or a Project X Catalyst wedge graphite shaft. The wedges have full-face grooves that stretch out to the edge of the wedge faces.

The extended grooves help golfers maintain spin even on shots hit well out on the toe. Team Sewailo cardholders can receive 10% off and Double Points on the Jaws Full Toe Wedge

GOLF TIP: THE FLOP SHOT

The Flop Shot may be a shot you will need during your round if you are playing over a bunker or a water hazard. This shot can be played when the ball is in the fairway or light rough where the ball is sitting

up. Grab your highest lofted wedge. Setup with an open clubface and aim your body left. Also, setup with a wide stance with your feet. Your weight can favor the left side with about 60 to 70 percent of your weight on the left side. This will help you hit down on the shot. The ball position will be more forward

of center in your stance to have the maximum loft. Swing the club back slightly to the outside and hinge your wrists quickly. The further you swing back, the longer and higher the shot will go. Accelerate through and turn your body toward the target. Be sure to practice this shot before taking it onto the course.
