PRODUCT OF THE
MONTH:
FOOTJOY
CONTOUR CASUAL**

The new Footjoy Contour Casual shoes feature super soft premium leather, are spikeless, and lightweight. The Contour Casual are great looking with full grain leather that offers comfort, breathability, and durability. The VersaTrax outsole provides maximum traction during your swing

and provides exceptional grip when walking the course. The shoes provide traction and comfort for on and off course wear. The cushioning under your feet gives you added comfort and heel support. In addition, the shoes are waterproof.

**GOLF TIP:
HYBRIDS**

Hybrid clubs help you make solid contact and get the ball in the air. You can use your hybrids in different ways including hitting off of the tee, in the fairway, and out of the rough. Play the ball slightly forward of center

in your stance when hitting off the tee or in the fairway. Position the ball slightly farther back in the middle of your stance when hitting out of the rough. Your stance will be slightly wider like a long iron and keep your weight centered. Swing the club more around your body. Move your right side through

the ball and finish with all of your weight on your left leg. When you use your hybrid off of the tee, tee the ball low to the ground. Choose a hybrid when you need an accurate shot on a narrow par four or long par three. A smooth swing will allow you to hit a hybrid long and accurate.
