

**WILDCATS  
GRILLE**

**WILDCATS GRILLE**

The Wildcats Grille is offering Lunch and Drink Specials in May. The Philly Chicken Sandwich has delicious grilled chicken on a toasted bun topped with pico de gallo, sautéed onions, peppers, and melted provolone cheese. The 5 Pack Hydration Special is offered with your purchase of Gatorade and Aquafina Water during the entire month of May: Buy 4 at regular price and get 1 Free. The 5 Pack Hydration Special is available in the grille and on the course. We have great tequila choices including Dobel and Ghost. These tequilas can be enjoyed straight up, in your favorite bloody maria, or refreshing margarita.

**MERCHANDISE PRODUCT  
OF THE MONTH -  
SCOTTY CAMERON  
PHANTOM X PUTTERS**

Scotty Cameron recently introduced the new Phantom X putter line, bringing the most in demand mallet shapes on tour to golfers everywhere. The Phantom X putter lineup features new head shapes and updates to popular models. The putters feature a new textured grip, new graphics, and premium

styling. Each new putter is an integration of steel and aluminum. One of the new models is the Phantom X12, which has an elongated single continuous alignment line that is easier to aim. The

new models were designed with a solid stainless steel face that has playability with a soft sound and feel.

three logo balls for free. In addition, our sales rack offers a selection of both men's and ladies apparel at 30% off the regular price.

### DID YOU KNOW? TY BUTLER

Sewailo Golf Club is a collaboration between course designers Ty Butler and Notah Begay III. Butler helped to transform completely flat desert terrain into a golf course with rolling terrain. Sewailo meaning "land where the flowers grow" in the Yaqui language, includes abundant landscaping interwoven with the desert envi-

ronment and finishing holes with rose and other flowering plants. The course has a lush environment and desert terrain to create an "oasis" effect. Ty has spent 25 years designing, renovating and constructing nationally ranked golf courses around the world. Many of Butler's course designs are ranked highly in their states by Golf Digest, Golf Magazine, and Golf Week.

### HOLE-IN-ONE

On April 6th, Stephan Bergeron aced the 3rd hole with a pitching wedge from 116 yards.

### GOLF TIP: FIXING YOUR HOOK

A hooked shot curves to the left and is caused by a closed club face. Another common cause is a grip which is too strong. The right hand is too far under the grip which makes the

wrists close the clubface. Weaken the grip to show two knuckles at address. Your hands will be turned more toward the target. Another cause of the hook is a stance that is too closed and poor shoulder alignment right of the target. Get into a square stance and open

your shoulders slightly to the left at address. If you are hooking, you will want your ball position to be slightly farther forward in the stance. Feel as if the club is swinging straighter back from the ball instead of to the inside.
