MERCHANDISE PRODUCT OF THE MONTH - CALLAWAY QUANTUM MINI SPINNER

The new Callaway Quantum Mini Spinner fairway wood is now available in the

Sewailo golf shop or for special order. The new fairway wood is designed for golfers who need more spin, control, and confidence when attacking greens from distance. The club gives golfers the control they need to take aim and hold the green. The step sole design minimizes turf interaction for cleaner and more consistent contact. The Quantum Mini Spinner is available in a 7, 9, and 11 wood. Callaway does accept trade in clubs from a major manufacturer if you would like to trade in your old clubs and upgrade! For more information on Callaway clubs or to place your special club order, contact Head Golf Professional Rob Charland at rob.charland@casinodelsol.com.

HOLE-IN-ONE

On Monday, August 16th, Dan Moore aced the 13th hole with a 6 iron from 160 yards.

GOLF TIP: PUTTING PRACTICE

Two putts per hole is the goal on a par 72 golf course. That is 50% of the strokes to shoot even par! Do you spend enough time on the practice green? Making more putts inside 10 feet

and eliminating three putts is a sure way to take strokes off your score. Use simple drills on the practice green to improve speed control and squaring of the clubface. Set up three feet away from the hole and set two tees just wider than your putter head to create a "gate." Make smooth strokes and focus on

your putter swinging through the gate. Make your putting stroke without hitting the tees to ensure your clubface is square.
